CALISTOGA, Calif., March 25, 2015 /PRNewswire/ -- Frank Family Vineyards is proud to announce that it's been voted "Best Napa Winery" for the sixth year in a row with the 2015 Bay Area A-List competition: <http://sf.cityvoter.com>. Once again, supporters of the winery have demonstrated their overwhelming loyalty to Frank Family Vineyards. The winery was founded in 1992 by former Disney Studios president, Rich Frank, and has been recognized for its hospitality in publications such as *Sunset*, *Wine Enthusiast* and *The Wall Street Journal*. The winery was the 2012 recipient of the *Connoisseurs' Guide to California Wine* "Winery of the Year" award. Frank Family's flagship wine, Winston Hill, has been described as "first growth quality Napa red wine" by wine critic Robert M. Parker Jr. of the *Wine Advocate*.

"In Hollywood we all know that you can't make a blockbuster movie without a great script and director. The same is true with wine—you need the best fruit and a great winemaker. In our 22 years in business, we have built an array of estate vineyards from Rutherford to Carneros, allowing us to control the quality of our fruit. This has allowed our winemaker Todd Graff to continually improve what is in the bottle, while keeping our prices reasonable," says Frank. "Our approach to hospitality is to make our guests feel welcome while they enjoy themselves and learn more about wine."

Frank Family Vineyards' tasting room is located on the idyllic Larkmead Lane in Calistoga. Wines poured at the tasting room include single-vineyard reserve and sparkling wines not available anywhere else. The historic stone building on the property, first constructed as the Larkmead Winery in 1884, was refinished with native sandstone from the nearby hills in 1906, and is listed on the National Register of Historic Places. Frank Family Vineyards is open daily from 10:00 a.m. to 5:00 p.m. Please visit www.frankfamilyvineyards.com or call 800.574.9463 for more information.
