

2011 Masters of Zin on the Marina

Rome to Venice
University of ZIN
On-Board Seminars

The ZAP cruise has become one of the nation's most successful and eagerly anticipated wine events. Over the past eight years, hundreds of Zinfandel lovers have discovered the fun of combining a deluxe yet informal cruise, with new friends and some of the most interesting ports of the Mediterranean. The cruise highlight is our private-to-the-group University of Zin, which includes parties, wine tastings, seminars and a multi-course winemaker dinner, plus reserve tastings and informal dinners with top winemakers! This year's cruise will be the best one yet, as we are cruising on the brand-new Marina, which is the first ship completely designed for the food and wine lover.

Our ZAP hosts are Janell Dusi of J Dusi Wines, Bill Grant of Four Vines Winery and Scott Harvey of Scott Harvey Wines who will be introducing us to their own wines and many, many ZAP member wineries from all over California. We asked them to describe what you can expect, and we're told "A refreshing sensory exploration of fleshy, seductive Zins that will literally explode in your mouth!"

Now, go and treat yourself and your palate to memories of a lifetime!

Zin-blends and Food Pairing Immersion

Why do winemakers use different varieties to make a wine? How does a blend compliment different tastes? Does blending add to the complexity of a wine in mouth feel, acidity, spice, versatility? These mysteries and more will be investigated during this interactive session and will comprise a lively discussion between our hosts and ship's Executive Chef who will mix, match, compare and contrast the delicious flavors, aromas and taste sensations. This session will also speak to the history of Zinfandel field blends—how come they are out there, anyway?

Appellations of Paso Robles

There is a diverse range of growing conditions on the Central Coast and you will learn all about them from East Side to West Side and from North to South. An assortment of Zinfandels from renowned producers known for crafting exemplary

wines from this area will be presented, personally selected by our hosts. You may not be on the Central Coast during this seminar, but when it's over, you will want to visit.

Reserve Wine Tasting

This is a rare chance to taste Zinfandels from some of the most notable Zinfandel vineyards in California and relish the absolute delight of Zinfandel.
